PHI European User Meeting Event Details

The aim of this biennial User Meeting is to bring together users of PHI equipment, with the staff of Physical Electronics. There is a long history with this meeting, dating back to the early 1980s, when the first User Meeting was established. In this tradition, we are happy to setup again this platform for the exchange of information on PHI equipment, scientific topics, and your own experiences with other users of PHI equipment. The meeting will be a mix of presentations by the users and PHI staff. We invite all users to propose to us any topic they would like to present at the meeting, and inform us ahead of time regarding any topics they would like to see covered in the meeting. Please use the online registration for this.

Organizing Team

- Local organizer: Wolfgang Betz wbetz@phi.com +49 9331 982 852
- Meeting program: Sankar Raman sraman@phi.com +1 952 828 6478
- Registration / hotel: Karen Sutera ksutera@phi.com +1 952 828 6259

User Meeting Program

Each user is invited to contribute with a short 10-15 minute presentation. The presentations should focus around features or functionalities of the PHI systems, which might be relevant to other users as well. In addition, we will try to have specific talks on subjects of general interest. PHI will also use the opportunity to inform you about news from PHI, upgrades, software, and functionality.

The User Meeting will take place from 9:00 AM to 5:00 PM on Tuesday, June 22nd, 2010 (including coffee and lunch breaks). PHI will host a User Meeting Dinner on the evening of June 22nd for all registered attendees. The dinner will take place at the Weingut Meinzingler in Frickenhausen, which is a charming old wine village just opposite on the other side of the Main Valley. The meeting will then resume on Wednesday, June 23rd, 2010, and run from 9:00 AM until 1:00 PM to include lunch.

Registration

On-line registration is available at www.phi.com.

Conference Fee

There is no fee for this conference. Participants however, are responsible for their own transportation and conference hotel costs.

PHI *MultiPak* Training Sessions for XPS and Auger - June 21st, 2010

One-day group training sessions on PHI *MultiPak* data reduction software are being offered on Monday, June 21st, 2010, from 9:00 AM to 5:00 PM (including coffee and lunch breaks). Two classes will be held simultaneously. One class for XPS and one for Auger. Each group will be limited to 15 registrants. Registrations will be taken on a first come, first serve basis. Please see the separate flyer available in pdf format at www.phi.com for more information. The fee for this training is €265,00 per session per person.

Hotel

It is highly recommended that all participants stay at the conference hotel “Wald- und Sporthotel Polisina” www.polisina.de.

In an ambiance of a Franconian country estate, the enchanting first class hotel is situated in the vicinity of a natural preserve close to Würzburg (20 km) with lovely views on the Main valley. The comfortable 93 rooms, including 6 junior suites, are either in a more rural Franconian style or in a more classic modern style with bath/shower, WC, telephone, minibar, satellite-tv, radio and partly with balcony.

PHI has made special arrangements with the hotel. Upon registration for the conference at the PHI website, the hotel reservation is secured for the participant.

Note: Please do not make your own separate reservation at the hotel.

When registering, please provide your check-in and check-out dates in the fields designated on the registration form. PHI has negotiated a special rate for your room accommodation and includes all meals:

- Full Board Rate single room : €122,00 / per night with all meals included (drinks extra)
- Full Board Rate double room €95,00 / per night / person with all meals included (drinks extra)

We highly recommend that you stay at the conference hotel. If you should prefer your own accommodation, the rate for “meals only” is €97,00 for the two days.

**PHYSICAL
ELECTRONICS**

18725 Lake Drive East
Chanhassen, MN 55317
Phone: 952.828.6200

Payment

Each participant will pay the expenses for accommodation and meals directly at the hotel at the time of departure. PHI *MultiPak* Training participants will receive an invoice after the completion of the training.

How to Reach the Conference Hotel:

By Shuttle:

It is highly recommended that you use a shuttle bus from the Frankfurt Airport directly to the conference hotel. This is the most convenient and cost effective option available. The price one-way for the shuttle bus will be approximately €80,00. PHI will make the arrangements and schedule the shuttle buses to allow for passengers to share busses and reduce costs. Please make a note on the registration form if you desire to use the shuttle and provide us with your arrival details when registering. You can also email this information to ksutera@phi.com. PHI will coordinate the departures of the shuttle based on your arrivals in Frankfurt or Nürnberg.

By Airplane:

The conference hotel is located in Ochsenfurt (Germany). The nearest airport is either Frankfurt (1,5 hours) or Nürnberg (1 hour). Train connection is very good with hourly trains running directly from Frankfurt Airport to Würzburg, where you can take a taxi (approx. €35,00).

By Train:

The next major train station is located in Würzburg (about 20km away) with excellent train connections from any direction. From Würzburg the easiest way to the hotel is to take a taxi (approx. €35,00).

By Car:

The hotel is very easy to reach by car. Ochsenfurt is about 20km away from Würzburg, where two major Autobahn (A3 and A7) cross.
