PHI *MultiPak* Training Announcement

Date: June 21, 2010

Location: Waldhotel Polisina, in Ochsenfurt (Würzburg)

Dear valued PHI Customer,

In conjunction with the PHI Users Meeting scheduled for June 22nd - 23rd, 2010 in Ochsenfurt, Germany, PHI will be offering one day PHI *MultiPak* Training classes on June 21st, 2010. The classes will cover the features of the PHI *MultiPak* software for both Auger and XPS data reduction. Two classes, one for XPS and one for Auger will take place simultaneously on June 21st.

New features of PHI *MultiPak*, Version 9.0 will be shown and discussed at each of the training sessions. To make the training most effective, the groups will be limited to 15 registrants at each session. Registrations for the classes will be taken on a first come – first serve basis. You can register on-line at www.phi.com.

Please note that all participants are required to bring their own laptop computers to the class. The fee for either training session will be €265,00 per person. Registrants will receive an invoice after the completion of the training.

Please don't hesitate to contact me if you have question about the training sessions.

Sincerely Yours
