PHI *TOF-DR* for *TOF-SIMS* Data Reduction Training**

**May 18, 2020
Grenoble, France**

FACT SHEET

MultiPak for XPS Data Reduction Software Training:

Online registration is now open on our website (www.phi.com) for the hands-on training session for *MultiPak for XPS Data Reduction* software.

The *MultiPak* training session will cover the basic functions of *MultiPak* as well as focusing on more advanced features. To make the training most effective, class size will be limited to 15 participants. **Training may be cancelled if less than 6 participants register.**

Registrants will have opportunity to provide program input via the online registration form prior to the training. A full agenda will be provided to all attendees prior to the training session.

Please note that all participants are required to bring their own laptop computer to the class with *MultiPak* version 9.9.0.x installed. Trial versions can be made available if necessary.

<https://www.phi.com/support/software/software-updates.html>

The cost for the training session is 440 €, and includes the training, all coffee breaks, and lunch and dinner on Monday. Participants are responsible for all other expenses including their own transportation and hotel costs.

Registrants will be invoiced prior to the training. Payment must be received no later than May 8, 2020.

Class schedule

Monday, May 18 – 9:00 am – 5:00 pm
