A DIVISION OF ULVAC-PHI

## 2025 PHI US User Meeting

October 21-22, 2025

**PHI *MultiPak* for XPS Data Reduction Training**  
**PHI *MultiPak* for Auger Data Reduction Training**  
**PHI *TOF-DR* for *TOF-SIMS* Data Reduction Training**  
October 20, 2025

**Physical Electronics - Chanhassen, MN**

### **USER MEETING:**

We are happy to provide a platform for the exchange of information on PHI equipment, scientific topics, and your own experiences with other users of PHI equipment. The meeting will be a mix of presentations by the PHI users and PHI staff. We invite all users to propose to us any topic they would like to present at the meeting and inform us ahead of time regarding any topics they would like to see covered in the meeting. Please use the [online registration form](#).

### **USER MEETING PROGRAM:**

As in previous meetings, PHI will present recent news about our products along with recent applications and upgrades to your existing systems. In addition, equally important is your feedback and contributions to the meeting. We would like to invite you to share a short 15-minute presentation about your experiences using PHI equipment. Topics could be application-oriented or about features you might have developed for your system that would be of general interest to other customers. The meeting will cover all techniques supported by PHI, including XPS, Auger, and Time-of-Flight SIMS.

User Meeting begins: October 20, 2025 at 10:00 AM

User Meeting ends: October 22, 2025 at 1:00 PM

PHI will host a User Meeting Dinner on the evening of October 21, 2025, for all registered attendees.

### **FEES:**

There is **no fee** to attend the User Meeting.

*MultiPak* Training for XPS or *MultiPak* Training AES, in addition to *TOF DR* Data Reduction software training - **Early Bird Special** - \$400, register before **June 30, 2025**.

Starting in July, \$480 for the *MultiPak* Training for XPS or *MultiPak* Training AES, in addition to *TOF DR* Data Reduction software training.

**For Credit Card payments, please contact Debby Dathe at 952-828-6291.**

**For payments via Purchase Order, please email the PO to [ar@phi.com](mailto:ar@phi.com) and copy [amay@phi.com](mailto:amay@phi.com).**

Participants of either event, however, are responsible for their own transportation and hotel costs.

## **MultiPak for XPS Data Reduction Software Training:**

[Online registration form](#) is now open or visit [phi.com](http://phi.com) for more information.

The *MultiPak* training session will cover the basic functions of *MultiPak* as well as focusing on more advanced features. Class size will be limited to 15 participants to make the training most effective. **Training may be cancelled if fewer than 6 participants register.**

Registrants will have the opportunity to provide input via the online registration form before the training. A full agenda will be provided to all attendees before the training session.

**Please note that all participants are required to bring their laptop computer to the class with *MultiPak* version 9.9.3 installed. You will be required to register @ Club PHI before accessing the download area. Trial versions can be made available if necessary.**

<https://www.ulvac-phi.com/en/club-phi/soft/>

The cost for the training session includes the training, all coffee breaks, and lunch and dinner on Monday and Tuesday. Participants are responsible for all other expenses including their own transportation and hotel costs.

Registrants will be invoiced before the training. Payment must be received no later than October 3, 2025.
